### Market Bag Beach Tote

Try as I might, I just can't make do with only one handbag. And for those times when I need something light and casual, I love this bag.

WBO American Dream member Jennifer Cirka sells crochet patterns and also makes crocheted products.

This multi-functional bag, available in many colors, is made from beautiful and sturdy yarns and is crocheted using two strands held together for extra strength and durability.

You can get this for \$45, plus shipping and handling, at: [www.jaybird-designs.com](http://www.jaybird-designs.com).

### Birthday Bath Cakes

I reluctantly let Zoe use this in her bath (as I was just as interested).

It wasn't her birthday, but she sure celebrated! After dropping it in the bathtub, it started fizzing, and the bath water changed colors and oils and moisturizers were released. When the fizzing was over, she grabbed the floating frosting-scented soap to wash up and smelled delicious the whole day.

These bath cakes, by WBO Kimberly Swan (our cover story) blew me away. Not only are they very realistic-looking, but they're made with no parabens and chemicals, and look and smell great -- a blend of rich vanilla, pure cane sugar and creamy white frosting.

These cupcakes are not just for special occasions and will convince even the most reluctant bathers to jump in.

You can get the small size for \$3.95 and the large size for \$7.50, plus shipping and handling, at: [www.sundaespa.com](http://www.sundaespa.com).

### Twist Capri and Hoodie

If you're looking for a super comfortable (cotton and lycra), fashionable outfit for working out or wearing around town, this is it.

I always get compliments when I wear this combo, and since I'm short, the Capri pants fit me perfectly.

Twist was the brainchild of Stacia Wilkins, a busy stay at home mom who loved fun fashions that could bridge the gap between workouts and all the busy day-to-day activities of being a mom. Styles include athletic and casual wear, lounge wear, kids wear, boys wear, and yoga wear.

The capris and hoodies are available separately or as a set, in many colors. The set is available for \$100, plus shipping and handling, at: [www.TwistYogaWear.com](http://www.TwistYogaWear.com).
